---OUT OF TOWN:--- North Bay, Sault St-Marie, Timmins, Espanola, Elliot Lake +15\$ sent back bus depot transportation or other method previously discussed

---DEFAULT TERMS:--- Cash, e-transfer, paypal by [wo]man to [wo]man.

---Cellphone repair waiting area for your convenience if you wish to stay while it is being repaired.

---GENUINE SERVICE:--- Backup by police check. Worked in banks/government environment. Quality service and everyone is welcomed. Recommended by major cell phone shop (Rogers, Bell, Virgin, Koodo, Costco, Walmart)

*WATER \ LIQUID DAMAGE \ DISASTER CASE (data recovery service) Do not try to put power on in any case. Get it to me WET. Do not dry. Corrosion (drying) affects connectors and electronics. The best outcome is only for data recovery and perhaps a working unit if salvageable to be determine at data-recovery phase. RICE: If one use the rice myth trick, don't waste your time. Water needs to be displaced, not drying.
